

# Acupuncture House Calls of Dallas

Kim Blankenship, L.Ac.

## Treatment and Financial Policies

Please make sure to:

--Eat a little something before the session, as acupuncture is not recommended on an empty stomach.

--Wear loose, comfortable clothing with sleeves and pants that can be rolled up.

--Turn off your cell phone. Relaxation is an important part of the process.

Treatments are \$120. I do not file insurance claims or have any communication with insurance companies, but I will provide a receipt for that purpose on request. Payment in full is due at the time of treatment.

**Cancellation Policy: Any appointments that are rescheduled or cancelled with less than 24 hours advance notice, or missed without notice, may be charged the regular fee.**

Thanks for your help and understanding in making it possible for me to offer affordable acupuncture to my community.

I have read and agree to the above:
